- Renters insurance is affordable and worthwhile!
- If your belongings are stolen, damaged or destroyed by fire, lightening, windstorms, hail, explosions, smoke, vandalism & plumbing leaks, renters insurance provides you with peace of mind because you'll know they'll be replaced.
- Renters insurance will pay for the loss of use of your apartment, meaning you can receive payment to stay in a hotel or other place if your apartment is damaged by a fire, storm or other covered event.

If you're a renter and you own things, you need renters insurance!
